# PART 4

## SUBSTITUTIONS, TIME OUTS AND SANCTIONS

# SUBSTITUTION

## *NEW RULES FOR 2024*

- New this year, Volleyball Manitoba will be allowing 12 **substitutions** *“unlimited”* for the 15U to 18U categories.
- A player in the starting line-up may leave the game **multiple** times in a set and re-enter **multiple** times in a set, only for his or her previous position in the lineup. The same rule applies to a substitute coming into the match. The maximum number of substitutions for any team in one set is **12**.

# VOLLEYBALL CANADA (2023)

Age Classification	Genders	Substitutions per Set	Libero Permitted
14U	Female and Male	Fair Play Rules	No
15U	Female and Male	12 Limited	No
16U	Female and Male	6 Limited	Yes
17U	Female and Male	6 Limited	Yes
18U	Female and Male	6 Limited	Yes

# New 14U Rules

14U and younger teams are **required to have a minimum of 9 players on the score sheet.**

**No player will be eligible to participate in all three sets.**

Substitutions are **not permitted** in the first or second set. In the case of injury, an Exceptional Substitution may be made. The injured/ill player may not return to the same set but may return to play in subsequent sets.

In the third set, 12 **unlimited** substitutions are permitted for **eligible** players (i.e. players who have not played in both of the first two sets). Considerations may be made for injury/illness as appropriate.

## Enforcement:

Rosters and lineups should be confirmed by **referees and scorekeepers** prior to each set. This is especially important in the third set, to confirm that the lineup is legal (i.e. comprised completely of eligible players).

If, after the third set has begun, it is discovered that an athlete on the floor has already played in the first two sets, they will be treated as an ineligible player and the team will lose all points scored so far, with the opposing team keeping their points, plus gaining a point and service.

## Teams with fewer than 9 players at a match:

If, due to extenuating circumstances, a team can not field 9 players for a match, they will default the first set but be able to play the second and third.

# SUBSTITUTION

- Verify that the player going into the match is on the Roster.
- Record the number of the substitute player into the box below the number of the player leaving court and the scores of both teams at the moment of substitution.

*(First number is score of requesting team).*
